

REMARKS

Claims 158-247 are pending in the present application. In response to the election of species requirement, Applicants select without traverse the claims of Species A, directed to the connector connecting the housing of the inhaler to the closure. Claims readable on this species are 158-200.

Respectfully, Applicants wish to point out that the figures corresponding to Species A and B have been misidentified. The correct figures corresponding to Species A are Figures 1-5, and the correct figures corresponding to Species B are Figures 15-22C.

Substantive examination on the merits is respectfully requested.

Respectfully submitted,

/Robert J. Smith/
